

**MUNTHAM HOUSE SCHOOL**

**CAREERS  
&  
LMI INFORMATION**

Here at Muntham House School, we understand the importance of pupils and their parents/carers having easy access to the most up-to-date and relevant information about jobs and careers, as well as current labour market information.

Pupils are introduced to labour market information as part of their careers and employability curriculum, but we understand the key role parents and carers play in supporting the pupils in researching their career ideas and applying for work.

We have put together a list of useful website resources that are most relevant for our pupils so that parents/carers can support them in their career planning.

***If you would like to discuss your child's career plan or have any questions about the transition from school, please do not hesitate to contact Steve Hellyer on 01403 730302.***
